Early Years Neurodiverse Playgroup

- This group seeks to increase a sense of belonging and pride in Neurodiversity through supporting Neurodiverse children and their families to reduce isolation, increase parental confidence, and provide information, resources and service navigation.

Prenatal Education and Outreach

- We have group prenatal classes for you and your childbirth partner
- Outreach services are available if you need extra support

About our Family Resource Programs

Parent & Tot Playgroup

- Have fun with your child and other parents and children from your community
- Our fun drop-in playgroup offers activities to promote healthy development for your child
- Our staff can provide suggestions or referrals to resources you may need

Parent Discussion Group

- We have guest speakers, open discussion and parent-child activity days
- We cover a wide range of topics focused on your experience as a parent
- We make sure you can connect with staff and other parents to get the support you may need
- We have early childhood development activities with our child-minding team available during group discussions

Family Support Group

- This group is an extension of our Family Support Program
- At this group we offer support to parents and children who may be facing challenges in life such as single parenthood, low income, young parenthood, anxiety, or difficulties with family life and parenting
- We have early childhood development activities with our child-minding team available during the support group
