This program is for 4-year-old children and will focus on building social skills, confidence, and independence as these little ones get ready to move towards the next steps in life – which includes Kindergarten. The children will be at preschool for a snack and lunch time, parents will provide both.

Extra information:

2024/2025 preschool year Kingfisher preschool has applied for the Childcare Fee Reduction Initiative. We anticipate being approved by spring of 2024 and we will be able to share the fee reduction with you at that time. In 2023/2024 our fees were reduced by approximately 18%. We anticipate this year's reductions to be similar.

Included in the class fees for all classes is a portion for inhouse field trips/community activities that we will bring into the classroom.

A non-refundable Registration Fee of \$50.00 payable to Sooke Family Resource Society is due with registration. This fee will hold your spot for the fall, pay for your child's liability insurance when he/she attends preschool and includes your SFRS membership fee. Membership allows you to vote in matters of the Society which operates Kingfisher Preschool.

First month fees are due by September 1, 2024. Subsequent fees will be due on the 1st of each month.

All children must be 3 years of age by December 31st to be eligible for the classes that start in September.

Affordable Child Care Benefit forms are available for families who qualify. We have application forms at the office as of June or will be emailed to you with your registration package.
