SFRS Announcement - New Executive Director

The Board of Directors of SFRS is pleased to announce the appointment of Renee Lormé-Gulbrandsen as Executive Director. Renee is replacing retiring Executive Director Nicky Logins, who led the organization for 15 of her 32 years with SFRS.

Renee has dedicated her 18-year career to the Nonprofit and Voluntary Sector. Having worked with an international child rights NGO, a provincial sustainability association, and most recently serving as the Executive Director of a community-based social service organization, Renee has extensive experience in leadership, programming, fundraising, business development, advocacy, marketing and communications, and public engagement. She holds a Master of Arts in Leadership, Bachelor of Arts with Distinction in Social Sciences, and is a Certified Nonprofit and Voluntary Sector Manager.

As an extension of her dedication to the sector, Renee has over 25 years of volunteerism serving on boards of directors, as well as sharing her time and talents with many community-serving organizations. She is currently the Board Secretary of Volunteer BC, the provincial voice promoting the development and value of volunteerism across BC.

“It is with admiration and appreciation that I step into the role of Executive Director of SFRS. I am honoured to be a part of this great organization and I look forward to continuing to build on the legacy of those before me who have contributed so much to the communities we serve.”
