- All regular children's programs are free and provide a healthy snack, unless otherwise specified.
- Programs are provided for children 0-6 years old with a parent/caregiver.

We Are...

Respectful Inclusive
 Ethical Caring
 Accountable Innovative
 Collaborative

Early Years Neurodiverse Playgroup

- This group seeks to increase a sense of belonging and pride in Neurodiversity through supporting Neurodivergent children and their families to reduce isolation, increase parental confidence, and provide information, resources and service navigation.
- Contact mdovall@sfrs.ca for registration information

Prenatal Education and Outreach

- We have group prenatal classes for you and your childbirth partner
- Outreach services are available if you need extra support

We acknowledge the support of the
Province of British Columbia

About our Family Resource Programs

Parent & Child Playgroup Monday and Wednesday Mornings

- Have fun with your child and other parents and children from your community
- Our fun drop-in playgroup offers activities to promote healthy development for your child
- Our staff can provide suggestions or referrals to resources you may need
- We make sure you can connect with staff and other parents to get the support you may need

Family Support Group

- This group is an extension of our Family Support Program
- At this group we offer support to parents and children who may be facing challenges in life such as single parenthood, low income, young parenthood, anxiety, or difficulties with family life and parenting
- We have early childhood development activities with our child-minding team available during the support group

Dad's Group

- A monthly supportive discussion group for dads
- Different topics each month designed to address the needs and challenges for dads
- This is an adult only group

Sooke Family Resource Society Mission

We provide people, of all ages and abilities on southern Vancouver Island, with services and resources that encourage them to enhance skills, address challenges and create a path forward.
